Upgrade! Eindhoven

Mateusz Herczka Frederico Bonelli

5 May, 20.00 pm – 22.30 pm
Temporary Art Centre

Upgrade! is an international, emerging network of autonomous nodes united by art, technology, and a commitment to bridging cultural divides. MAD emergent art center Eindhoven joined the network, and hosts the first Upgrade! Eindhoven meeting.

Both **Mateusz Herczka** and **Frederico Bonelli** present their work in the field of art and technology. A discussion will create room to exchange ideas about '*Art vs Science*'. Is art hacking technology? Or is technology hacking creativity? Where do we stand as artists? Meet a group of interesting people, exchange ideas about projects and get inspired.

Monday May 5, in TAC (Temporary Art Centre),
from 20 pm till 22.30 pm (doors open 19.30)
