### 3,- *Lager Lager Lager 000*

The closest thing we have to a pilsener, the brewers 5th lager in search of the perfect one.

### 4,40 *Studio Oedipus x Mediamatic No. 14 Bes*

A blended beer. We boiled a pale unhopped brew with elderberries and fermented this to a very concentrated berry-beer of 9% ABV. This rich base is blended with Panty stout and Swingers, a salty and sour beer. This blend is a tannic elderberry beer with some roasty flavours.

### 4,40 *Studio Oedipus x Mediamatic No. 07 Tak*

Showcasing elder wood, which was partly smoked, we made a tea from the wood, added malt extract for fermentables, some local grown brewery dried hops, and fermented in a whiskey barrel. The beer is earthy and smokey. 6%

### 7,50 *Elder beer No. 14 Bes & No. 7 Tak*
