4,40 *Studio Oedipus x Mediamatic No. 14 Bes*

A blended beer. We boiled a pale unhopped brew with elderberries and fermented this to a very concentrated berry-beer of 9% ABV. This rich base is blended with Panty stout and Swingers, a salty and sour beer. This blend is a tannic elderberry beer with some roasty flavours.

4,40 *Studio Oedipus x Mediamatic No. 17 Judasoor*

A blended beer. We boiled a pale unhopped brew with judasoor and fermented this to a 5% ABV pale base beer. This is the base that is blended with our Pilsner, some Gaia and a touch of Panty stout and was put on Judasoor again before being packaged. The result is a rich beer where the earthy mushroom flavours shine.
